STEWARDSHIP CAMPAIGN CELEBRATES THE MANY HANDS OF CHRIST

Our 2013 Stewardship Campaign: To Be The Hands of Christ is a celebration of all the ways that our members and friends serve at Wesley Memorial, in High Point, and beyond. From hands laid on a friend in prayer to serving meals to the homeless, from hands playing an instrument to hands counting an offering many of you are faithfully enabling Wesley Memorial to be the hands of Christ.

In the coming weeks you will see many images from across the congregation. Take time to pause as you see them – in bulletins, the Wesley Weekly, the Heartbeat and around the campus – to see how God is using Wesley Memorial's people to transform the world.

To
be the
Hands
of Christ.

On November 11, we will celebrate Consecration Sunday with one shared service of worship at 11am. Dr. Ken Lyons, Senior Pastor of the 4000 member Matthews United Methodist Church will be our guest preacher. Immediately following worship, we will move to the Dining Hall and Fellowship Hall for our Celebration Luncheon. We are expecting a tremendous turnout again this year and hope that you will make plans now to join us for this important day.

In a few weeks you will receive your 2013 Commitment Card as well as a planner to help you in determining the commitment God is calling you to make to Wesley Memorial in 2013. We hope that you will worship with us on November 11 and bring your Commitment Card, so that in 2013, we can be the hands of Christ at Wesley Memorial, in High Point and beyond in amazing and powerful ways.

Living a Life of Intercession A Day Retreat for Adults Saturday, October 27 9:15 am - 3:30 pm

What is a life of intercession? What does that mean? And what does that have to do with how we live our lives? We will explore how prayer and action intersect through a life of intercession. Come and join us for a day of relaxation, fun, and reflection.

The day retreat will be led by Rev. Kathy Barba Pierce and Miriam Ward. We will begin our time with refreshments followed by a short centering worship. Our morning will be a time of exploring what a life of intercession is in discussion together and alone in reflection. We will then have lunch and, afterwards, explore ways we can grow in our life of intercession through certain practices in our lives. We will end our time with worship.

The cost for the retreat is \$15. This covers the cost of lunch and materials. Please call/email Melissa Coley at mcoley@wesleymemorial.org or 812-4806 to register for this special time apart by Tuesday, October 23. Wesley Memorial works to identify new local missions initiative

This fall a task force composed of the Wesley Memorial missions teams and other interested church members participated in a discernment process whereby the group hopes to identify a new local missions initiative for our church to participate in for the next year to eighteen months. This discernment process is in direct response to the church's Strategic Plan.

In August the task force participated in a Missions Summit where they went out into the community on a Saturday morning to learn about the needs in our community. The group identified many needs that persons in our community have including lack of access to transportation, resources, emergency rent or utility funds, food, jobs, housing, health care, shower/laundry facilities, and standard mode of dress for children attending Title I schools.

In September the group met to examine the assets of Wesley Memorial as a congregation and how these assets might meet the many needs in our community. The task force has identified three potential projects that they would like to propose to the congregation. The group would like to gather feedback from the congregation on these three projects and see which projects most interest the church.

Two information sessions will be held for the entire congregation to learn more and ask questions about each potential project. The dates of these sessions are Wednesday, October 3 at 6:45 pm in the Dining Hall and Sunday, October 7 at 9:45 am in the Dining Hall.

*Missions Initiative...***BACKPACK PROJECT****NEED IN THE COMMUNITY:**

- In Guilford County 19.2% of residents do not know where their next meal is coming from and one-third of these persons are children.
- Many children go unfed from lunch on Friday until breakfast on Monday because their families do not have access to food.
- There are currently 20-50 students at Fairview Elementary who are in desperate need of weekend food.

ASSETS OF WESLEY MEMORIAL:

- Volunteers who have a passion for children living in poverty
- Strong relationship with Fairview Elementary, a Title I school
- Access to food donations and financial resources

PROPOSED PROJECT:

Organize a team of volunteers who will obtain food through donations and purchases (projected cost will be \$210 per child per year), pack and deliver food for 25 to 50 children at Fairview Elementary each week during the school year.

Church member Catherine Niebauer receiving hugs from two Fairview students.

CIRCLES™ CAMPAIGN**NEED IN THE COMMUNITY:**

- In High Point 19.2% of people live under the poverty line (\$23,050 household income per year for a family of four)
- This is 3.7% higher than the North Carolina state average of 15.5%.
- The needs of these persons include shelter, energy, food, transportation, and wellness.
- There are often barriers (transportation, financial resources, literacy, etc.) to accessing these resources that keep many of these persons and families living in poverty.

ASSETS OF WESLEY MEMORIAL:

- Volunteers who have a passion for families living in poverty
- Volunteers who can provide training, networking, resources and friendship to persons trying to get out of poverty
- A building where classes can be offered and food can be prepared
- Relationships with nonprofits in the area that serve persons living in poverty

PROPOSED PROJECT:

Serve as a lead agency in launching a Circles™ Campaign affiliate in High Point.

Circles™ is a community-based program that partners middle and upper income volunteers with families living in poverty. The goals include: uplifting families as they move themselves permanently out of poverty; providing families with the training, networking and social capital essential to getting out of poverty; educating middle and upper income families about poverty and the reasons it is difficult to escape the cycle. For more information about Circles™ see: <http://circlescampaing.org> (The United Methodist Church has endorsed this program as an effective way to equip persons in escaping the cycle of poverty.)

Circles™ Campaigns foster relationships across class lines, like the relationship many in our church have developed with the Masumbuko family through the Matthew's Shelter project.

HOMELESS GATHERING SPACE**NEED IN THE COMMUNITY:**

- There are hundreds of persons who are homeless in High Point.
- These persons have nowhere to go during the daytime to rest, take showers or do laundry.

ASSETS OF WESLEY MEMORIAL:

- Volunteers who have a passion for the homeless
- Volunteers who have construction skills
- Volunteers who like to plan enrichment sessions for groups living in poverty
- Volunteers who can donate money or items to outfit a gathering space for the homeless during the day

PROPOSED PROJECT:

Help partner agencies in the community renovate a building to provide a gathering space for the homeless during the day. This facility would have showers, laundry, places for rest and a space where programs could be offered to persons who access the facility.

Wesley Memorial church members visit a homeless camp to learn about the needs in these communities.

We Did it! You Kept the Budget "in the Black" all Summer!

Your generous gifts throughout the summer have enabled us to maintain a positive cash flow. This is the first time in many years that has happened! When we compare 2011 to 2012 we see some interesting details:

Operating Budget Through 08/31

	2011	2012
Total Budget	\$1,976,667	\$1,832,492
All Income	\$1,127,162	\$1,189,759
All Expenses	\$1,228,126	\$1,112,994
Income Less Expenses	-\$100,964	\$76,765

At this same point in 2011, we had received \$100,964 less than we needed to operate. This year your consistent, regular giving has enabled us to avoid using our credit line or cash reserves. We have received \$76,765 more than we have expended so far this year.

We are in this position for three reasons: careful management of our budget by staff and ministry team leaders, consistent payment of pledges by our members, and generous gifts from members and friends who support Wesley Memorial but do not pledge.

Pledge Gifts Through 08/31

	2011	2012
Total Pledge Gifts through August	\$987,431	\$1,025,068
% of Total Anticipated Pledge Gifts For the Year	55%	60%

Thank you for your continued support as we enter this busy and exciting time of ministry. Your consistent support in these last three months of the year will enable us to finish 2012 well.

Stephen Ministry

Stephen Ministry is completing five sessions for those who have been commissioned in the past and are interested in sharpening their skills to renew their service at Wesley Memorial. We recognize the initial training is never completely forgotten and is used often in our daily relationships and service.

Renewing special skills reminds us of the variety of situations in which we can be compassionate, full of faith, skilled, and trustworthy.

"Journeying through Grief is a set of four short books that our Stephen Ministers take or send to grieving members of Wesley Memorial at four crucial times during the first year after a loved one has died. Each book focuses on what the person is likely to be experiencing at that point in grief and provides care, assurance, encouragement, and hope." Author: Kenneth C. Haugh, Ph.D.

We as Stephen Ministers wish to express our sincere appreciation to those in our congregation whose donations have made the purchase of this material possible.

If you wish to have a Stephen Minister assigned to you, contact Lou Dean Howard, 885-5789.

The deadline for article submission for the November HeartBeat will be October 12.

To submit information for the HeartBeat contact: Russ Pierce at rpierce@wesleymemorial.org or 812-4800.
