WESLEY MEMORIAL

A UNITED METHODIST CONGREGATION
High Point, North Carolina

For the past six years, Dr. Al Ward has had a profound impact on the life and ministry of Wesley Memorial. With his powerful preaching and prayerful spirit, Al has led with vision, strength and compassion. Under his leadership, we have developed a comprehensive Strategic Plan to guide us into the future.

After 46 years in active ministry, Al has requested that the Western North Carolina Conference grant him retired status, effective July 1. At Annual Conference this summer, Al's retirement will be celebrated along with many other retiring ministers.

Here at Wesley Memorial, we will gather to honor Al & Miriam's ministry June 4 at one Celebration Service, with Al preaching, at 10:30 am in the Sanctuary. Afterward, please join us for a picnic with a free catered lunch. In order to ensure that we have enough food, please let us know if you plan to attend the picnic lunch by calling 336-812-4824 or signing up at www.wesley memorial.org

Stories From Our Hearts

Dear Friends:

It is hard to believe that our time at Wesley Memorial is drawing to a close and so is our active ministry in the Conference. I guess it's true that "time flies when you are having fun." Our years of ministry, especially the six that we've spent at Wesley Memorial, have been rewarding as well as fun.

From the start you welcomed us into your church and invited us to be in ministry with you. We have laughed and cried, played and worked, celebrated and struggled together. God has made us not just friends, but brothers and sisters in Christ.

We will always be grateful for the way you have made our family yours and surrounded us, and especially Vivi, with your prayers, love, and support. We are humbled by the decision to create the Vivian Rose Vaughn Scholarship Endowed Fund for children with special needs enrolled in the Wesley Memorial School. We are thrilled that other special needs children and their families will receive from WMS and Wesley Memorial the love she received.

With all of you, I rejoice at the appointment of Jeff Patterson as your new senior pastor. He is a pastor with a compassionate heart, deep theological insight, and a spiritual vitality. God has great things in store for Wesley Memorial and I believe that God's hand was on Jeff's appointment to provide you leadership into the future. Love he and Tammy as you have loved us. We are thankful to all of you and to God for the great privilege of being in ministry to and with all of you. You will always be in our prayers.

Blessings

Miriam and Al

♥ God at Work!

God's plan for my life for over fifty years has always centered on teaching children. I have been a babysitter, leader of children's camps, teacher in church children's ministry, and school teacher of young children. Now in retirement, I believe God has given me new opportunities to help with programs for children. This is my story of God's current plan for using the gifts He has given me as a teacher.

In March, while helping with a project at Ward Street, the Sunday school teachers there were looking for ways to invite more children to their classes. Over several weeks, we talked about ways of getting to know more families in the community. Opportunities to help with several upcoming Ward Street Community Meals prompted me to volunteer to look for families with young children attending the Thursday night meals. So on March 30, I looked over the crowded dining room at Ward Street and saw several families with young children. I went from table to table talking with several Moms and their children, inviting them to attend Ward Street and the children's Sunday school classes.

At the last table I visited, I met a mother who was just finishing her meal with 2 of her children. As we talked about the programming for children at Ward Street, Nanet shared that she would love for her children to have the opportunity to learn more about Jesus in a Sunday school program. Nanet and her husband John Paul, the pastor of the Congolese Church that meets on Sunday afternoon at Ward Street, had been praying for 6 months for a teacher to help their children learn more about God. She told me they had so many children attending but no teacher for their children...**NO TEACHER...**I knew God was speaking to my heart.

I believe that God began that very night to show Nanet and me a plan. He was working out to meet the need of a teacher for the children of families attending the Congolese Church. Nanet and I shared ways God had worked in each of our lives and we believed that God could use two sisters in Christ, who never knew of each other before March 30, to work together with Him to meet this need. And so we prayed,

Wesley Memorial's purpose is to create and sustain spiritually healthy followers who live in ways that transform the world. **Stories From Our Hearts** is a new feature where members of Wesley Memorial share faith stories of transformation in the world.

asking God to show us how to move forward with His Plan for the Congolese children.

The next day I could not wait to share with Debbie Foust the amazing story of how I met Nanet at the Ward Street Community Meal and the need for a teacher for the children of the Congolese Church. I asked Debbie to pray with us about how God might use Wesley Memorial UMC to work alongside this church to help make disciples of the families and children of the Congolese Church. We asked others to join our prayer, asking God to share His vision for a teacher of the Congolese children. In the two months following March 30, I have seen the love of God at work!

For the rest of the story of all that is happening with this exciting opportunity to partner with another church in sharing God's love in Jesus Christ...**just ask Debbie Foust or me.** We would love to share more of this story of partnership and how God is always at work for good!

Celebrating our

Wesley Singers

Many of you have approached me or Frank after worship, called or emailed during the week or spoken to me around town, some of you with tears in your eyes, relating how much a solo or anthem has meant to you in Sunday worship. This underscores to me how important the Wesley Singers are to traditional worship at Wesley Memorial. These talented young people sing

beautiful solos, duets and quartets for 8:30 and 11 o'clock services as well as add support to the Chancel Choir. Without them, there would be no special music for the chapel service and the Chancel Choir would not always be able to sing the high standard of music you hear each Sunday.

At its inception the Wesley Singers (choral scholars, at the time) were totally underwritten by the Jack and Ruth Campbell family. In 2015 this funding ceased to exist. Thanks to grants from the Church Council, endowment gifts from the Stanford and Marlowe families, and gifts and memorials from many in the congregation we have been able to piece together funding for this important program up to now. In order to continue this program so vital to worship we need your help. Please consider making a donation to the Wesley Singer Endowment Fund or directing memorials to this fund as well. This would be a wonderful way to remember or honor a friend or loved one. We must continue to bless the lives of these talented singers as they bless us in worship each week.

Congratulations Class of 2017 (and Richard Petty)

We had an amazing day celebrating our seniors this year. We started the day with gathering the students and their families in the Asbury Room for a nice brunch together. During our fellowship here, we took our group picture, ate some great food and “The King” of Nascar crashed our party! Richard Petty joined us for all the fun and we of course snapped a fantastic photo of the memory.

After the brunch, the seniors processed in the church and we were able to hear from 2 of their fellow classmates. Maddie Dyson and Stephanie Thomas addressed the congregation and the 2017 class about how important our church has been in their faith journey. They did a great job!

After the service and fellowship in the narthex, we all came together for a nice luncheon in the dining hall. We had 10 “glory tables” of the senior students that highlighted their life and accomplishments. We also had a nice slideshow of pictures of the students from toddler days to present time. We enjoyed presenting the new senior gift this year too. Each student received a nice stadium blanket to take with them to college. Stitched on the blanket is our church name and “We Love You” in big letters!

A BIG thank you goes out to all our leaders and volunteers but I want to give a special thanks to: Leigh Anne Bassinger for taking awesome pictures, Alisha and Brian Boger for hosting and providing our delightful brunch, Susan Kelley and family for hosting and providing our wonderful luncheon, Grace and AB Henley for hosting and providing our “senior dinners” this year at their home. Our ministry with these students would not be possible if it wasn’t for the “Christian Village” of special people coming alongside us and helping our light shine brighter for Christ!

This year’s Bruce Hathaway Scholarship Award was presented to T.J. Webb. He is the son of Cindy and Monte Webb and has been involved in our Student Ministries programs, served as a church camp counselor, member of Boy Scout Troop 42 where he has obtained the rank of Eagle Scout, member of the youth hand bell choir and has served as acolyte/crucifer. T.J. graduated from Westchester Country Day School and will be attending Elon University in the fall. His favorite scripture is Jeremiah 20:11.

Congratulations and best wishes to T.J.!

Live Alive Season

Has Ended:

Thanks Lucille!

After a wonderful fall, winter, and spring of our senior adult “Live Alive” events, including botanists, astronomers, and storytellers, our Live Alive season has come to its summer hiatus. We’ll be back in the fall with more wonderful speakers and lunches, as well as book club and bingo. We are so grateful to Lucille Duncan for her years of servant leadership with Live Alive, and we look forward to Bill Anderson’s taking over the reins next season! If you are interested in being a part of the Live Alive family, contact Erin Beall.

Summer Book: Good Goats

Our summer book, *Good Goats: Healing Our Image of God* by Dennis, Sheila, and Matthew Linn, is now available at the Front Desk. Be sure to pick one up for \$12 so you can be prepared for our summer get-togethers as we discuss the content of this powerful and interesting little book. We’ll wonder together about what we picture when we think about God—is God an old man? a judge? a parent? And is God angry? merciful? both? We’ll be meeting every other Tuesday at 7 pm

throughout the summer, discussing different sections of the book, culminating with a final dinner on Wednesday, August 16. You’ll notice, as you flip through the book, that it’s divided into two sections. We’re going to read and discuss them simultaneously. This could get confusing, so here’s a handy chart:

<u>Date/Time</u>	<u>Location</u>	<u>Pages to Read</u>	<u>Topics for Discussion</u>
June 13 at 7pm	Brown Truck Brewery	1-15, 54-57	Our Image of God
June 27 at 7pm	TBD- Church member’s home	16-27, 57-66	Divine Punishment & Vengeance in the Bible
July 11 at 7pm	Brown Truck Brewery	28-37, 66-76	Hell & Free Will
July 25 at 7pm	Brown Truck Brewery	38-51, 76-89	God’s Gender & Love for Us
August 8 at 7pm	TBD- Church member’s home	Whole Book	Are We Goats or Sheep?
*August 16 at 6pm	WMUMC Dining Hall	Whole Book	Q&A & round-table discussion

Macedonia Baseball Program

Opening Day

Wesley Memorial had a blast at Macedonia Center's Opening Day of their baseball program in May. All 10 teams lined up in the morning to celebrate and prepare for a day full of games. Jared

opened the day with a prayer, and five Wesley Memorial members were chosen to throw an opening pitch! Free popcorn had messages of encouragement that said, "A positive attitude is contagious!"

Wesley Memorial supports the baseball program with resources for equipment, uniforms, and umpires - but we can do so much more to encourage these great children!

Join us on Thursday June 15 or Thursday June 29 at 6:30 pm to cheer on these teams and coaches and they learn lessons about sportsmanship, teamwork, and character.
