## Macedonia Summer Baseball

May 4, 2019 will be a MAJOR milestone for the **Macedonia Baseball** program. They will begin their 20th-season offering free little league baseball to the inner-city youth of the High Point community as well as the rest of High Point and would WELCOME your support. Macedonia currently has approximately 220 boys and girls actively participating in the league. The program consists

of students 9-12 years old. Because baseball is an expensive sport, many of our students would be unable to play if it were not for their program. For 20-years Macedonia baseball has grown, as youth from other cities across America simply lost interest. The league has produced two major league players. We have and will continue to make a difference. The hospitality committee from Wesley Memorial will be passing out free popcorn on opening day **Saturday, May 4** starting at **9:00 am**. Please join us in making the 20<sup>th</sup> anniversary one to remember as we continue to offer character lessons for our young people during this historical season.
