Organizing to Beat the Devil!

The Methodist historian, Charles W. Ferguson wrote a book in 1971 with the intriguing title “Organizing to Beat the Devil: Methodists and the Making of America.” It was a book about the Methodist enthusiasm to transform our nation with the power of Jesus Christ and the spread of scriptural holiness. We have an audacious reason for existing. As we say in our Book of Worship, **“The Church is of God, and will be preserved to the end of time, for the conduct of worship and the due administration of God’s Word and Sacraments, the maintenance of Christian fellowship and discipline, the edification of believers, and *the conversion of the world*”** (emphasis added). We have a bold mission to make disciples of Jesus Christ for the transformation of the world.

Historically, in our best moments, Methodists have been flexible and proactive because we have been mission-focused and mission-driven. While staying focused on our theological imperatives, we have been constantly adapting our structures. During my ministry, I’ve seen churches organized in several different ways: Boards of Stewards, Administrative Boards, Council on Ministries, Church Councils, etc. Changing our structure is one of the things we’ve done well. Wesley Memorial Church has been part of three different Methodist denominations with many different local structures since 1856. We’ve always done what was necessary to get the job done.

After a four-year long discernment process of study and reflection, we are

(Continued on page 2)

(Continued from page 1)

proposing a modified structure to help us be more nimble, flexible, effective, and fruitful. We want to simplify our process to allow us to be more proactive, transparent, and focused on ministry not meetings. Our 15-member Administrative board will be trained to function like the older Board of Stewards model. It will meet monthly and transact the administrative business of the congregation. Our ministry teams, who carry out the ministries of our congregation, will basically stay the same. Four to six times a year, the Ministry Team Chairs or Representatives will meet with the Administrative Board. While everyone is always invited to attend any of our meetings, three to four times a year, we will have Town Halls where the Administrative Board will report to the congregation. The present Church Council in Charge Conference session will consider this proposal in the near future.

I am excited about the Spirit's movement in our congregation. We will bear spiritual fruit as we maintain a laser-like focus on each one of us faithfully knowing and serving Christ in the world. May we lead each other into the exciting future that God is preparing for our congregation.

With Confidence in Christ,

Pastor Jeff

Labyrinth walking is an ancient practice used by many different faiths for spiritual centering, contemplation, and prayer. Entering the serpentine path of a **labyrinth**, you **walk** slowly while quieting your mind and focusing on a spiritual question or prayer.

Hello to my brothers and sisters in Christ,

These past many months have brought some exciting growth at Wesley Memorial. We welcomed 23 new members on December 15th, and we already have several people signed up for our next two week Wesley 101 class April 19 and 26. There are several reasons for this growth, namely:

- Offering ministries and sermon series that are relevant to all age ranges;
- Many of you have been using the **5-5-5 Rule** on Sunday mornings: take 5 minutes to speak to 5 people within 5 feet of you that you do not know;
- Increased visibility in our community: many of you have been sharing on social media, inviting friends to church and using our car magnets and stickers. Keep it up!

Considering this growth, a noticeable fruit has been increased Sunday worship attendance. As you can see below, we have had a marked increase so far this year in attendance when compared to 2017-2019 and an overall growth trajectory as a congregation.

- 2017 averages: 8:30 Chapel – **42**, 8:30/9:45 Contemporary – **130**, 11:00 Traditional – **217**
- 2018 averages: 8:30 Chapel – **44**, 8:30/9:45 Contemporary – **129**, 11:00 Traditional – **200**
- 2019 averages: 8:30 Chapel – **50**, 9:45 Contemporary – **144**, 11:00 Traditional – **208**
- January 2020 average: 8:30 Chapel – **56**, 9:45 Contemporary – **184**, 11:00 Traditional – **200**

Whenever a space reaches 80% capacity, you have essentially reached capacity for receiving new guests. With a crowd over 80% capacity, the space begins to feel too full and can actually inhibit growth. If you combine the 9:45 Fellowship Hall space issue with the ongoing time conflict of those who attend 9:45 Sunday School (who also desire to attend contemporary worship), it is necessary to initiate a 2nd contemporary service time.

I am excited to announce that **starting Easter Sunday, April 12 we will resume the 8:30am Contemporary service** as an additional service to meet these demands. Friends, this is a good “problem” to have as our church continues to grow and we make room for new guests and future church members. The initial cancelation of the 8:30 contemporary service in June 2019 was the right decision at the time. It helped us reassess our ministry strategy and time structure. Now that the Spirit has helped build a critical mass at the 9:45 service, we are poised for another exciting chapter of ministry at Wesley Memorial that not only will welcome in new guests, but also will connect more people into discipleship opportunities at 9:45, thereby furthering overall spiritual growth as a congregation.

If you have questions, please contact me. I’m glad to visit any circles or groups as well.

Christ in us!

Director of Children's Ministries Search Update

In January, our Search Team participated in an on-line training session with Sara Baily (Search Manager) and Aly Eaton (Search Recruiter) from Ministry Architects. During this meeting team members **Gwen Russell, Alison Collins, Alison Yates, Tom Smothers, Beth Holbrook, Iris Sunshine,** and **Sarah Petty** reviewed the job description, explored possible interviewing scenarios, and confirmed the process schedule. **Cynthia Tobin** also serves on the Search Team but was unable to attend this meeting.

Currently, the job description has been posted on various recruiting and social media sites (*go to our Facebook page and share the posting with any qualified candidate you may know*). Aly and Sara with Ministry Architects are finding and vetting candidates. The Search Team expects to receive and review a short list of candidates in early February. This review will include watching on-line interviews between the candidates and Ministry Architects and reviewing resumes, CVs and other materials. From the short list, the team will select candidates to bring on-site for an interview and to observe interaction with children and families in late February.

Although we anticipate identifying and extending an offer in March, it is likely that the new person will not start until after Easter and possibly later. Debbie and the Children's Ministries Team are working together to ensure Sunday School, Bible Explorers, Created by God, Easter activities, and even Vacation Bible School will all happen. Debbie is still present and working with staff, volunteers and the Children's Ministry Team to ensure an organized transition as she moves to her final Sunday at Wesley Memorial which will be March 29..

Finding the Baby Jesus

How precious it was for our students to experience the “**Epiphany Walk**”. Our preschoolers and Kindergarteners experienced a journey, as the wisemen experienced a journey, to find the Baby Jesus. After several stations, they found Mary holding her baby; tucked in a quiet, candlelit room. The children continue their understanding and learning of Jesus. They learn how He grew and what life was like in Bethlehem and Nazareth, where Jesus lived and grew up with his family.
