A UNITED METHODIST CONGREGATION
High Point, North Carolina

Volume 26 No. 11

November 2018

Welcome Sanctuary Counseling Group

**Sanctuary
Counseling
Group
(SCG),**
formerly
known as
Methodist
Counseling
and Con-
sultation
Services,

has provided mental health counseling and pastoral counseling in the greater Charlotte area and in satellite offices in cities and towns around the western piedmont of North Carolina **for over 50 years.** They are accredited by the American Association of Pastoral Counselors and the Samaritan Institute. **SCG** is dedicated to the healing of heart, mind, and soul, by providing excellent emotional, spiritual, and relational health care to all people. While **SCG** has a

standard fee for services comparable to fees charged by other agencies in our area, in compliance with the Samaritan Institute and the American Association of Pastoral Counselors guideline SCG can use a fee-adjusted sliding scale based on household income and family size when necessary. Fees for counseling are negotiated between the client and the therapist. Insurance coverage is often available and is determined on a case-by-case basis. Clients who lack insurance coverage or who have insufficient financial resources to afford the “going rate” for counseling services may inquire about the SCG Samaritan Client Assistance Fund.

Wesley Memorial is pleased to announce that beginning on November 5, Sanctuary Counseling Group will be providing high-quality, faith-based counseling through an office on our campus. **Dr. Adriana Serban** will be providing counseling from Room D205 near the chapel.

At the present time, she will have appointments on Mondays and Thursdays. To schedule an appointment, call **704.375.5354, ext. 404.** For more information about SCG, you may check out their website:

www.sanctuarycounselinggroup.org

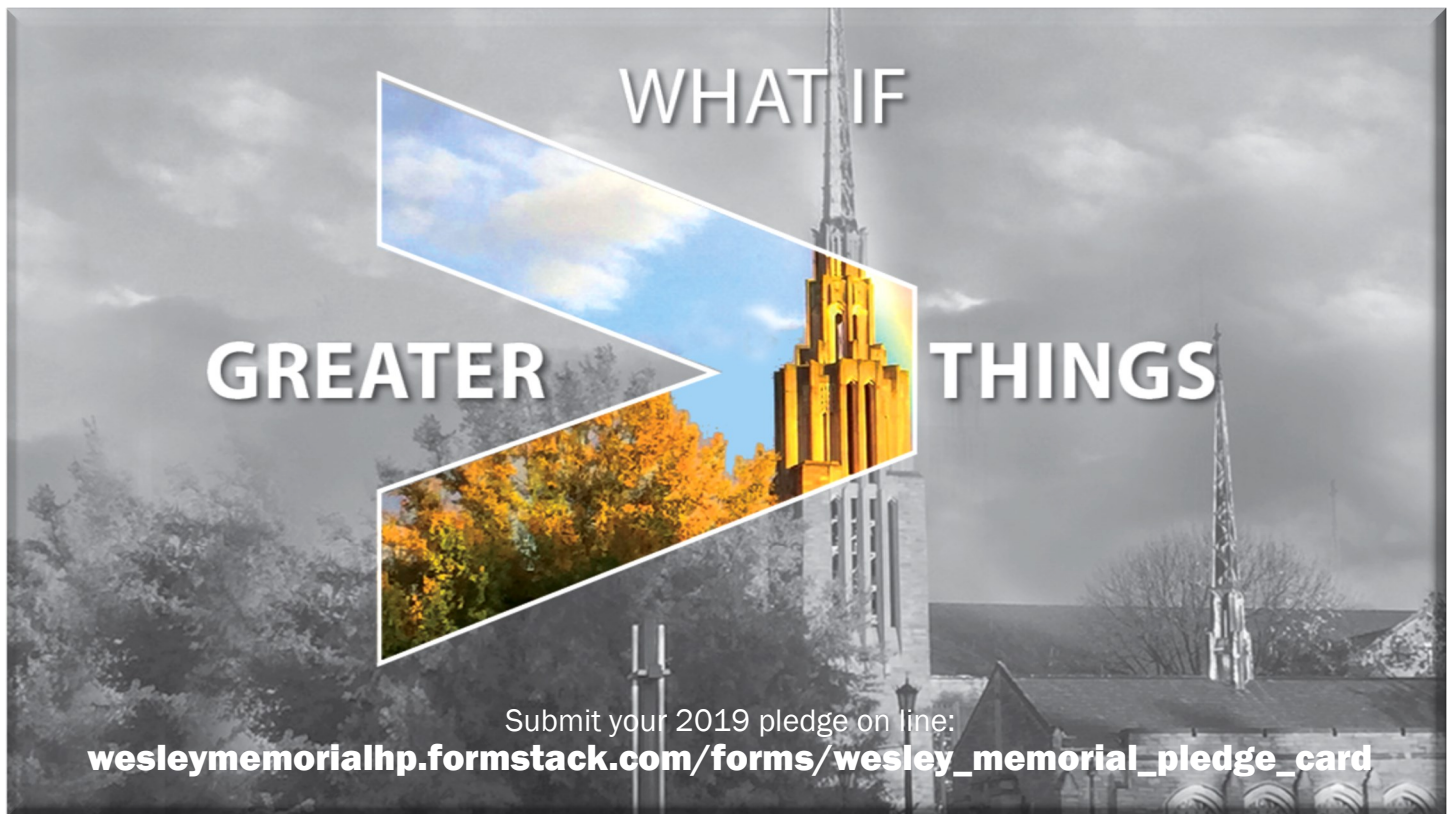

This is one more way that our congregation serves our community in the Spirit of Christ. Wesley Memorial Church has always been a healing station for people on the journey of life and this great tradition continues with the addition of this new ministry to our community.

With Confidence in Christ,

Pastor Jeff

Dr. Adriana Serban

Fall Pledge Campaign

Every year Wesley Memorial engages in a stewardship campaign in which we come together and commit to giving significant money to the church that we love to keep its doors open, to keep its services running, and to keep all of the wonderful things we *currently* do funded. We always run a balanced budget, and we are faithful.

But what if this year we weren't faithful to only what do, have done, and are doing? **What if we decide to be faithful with what God *could* do through us.** What if this year we intentionally raised more, eclipsed our needs with our gifts, and said to God, "What do we do? What wounds in our community should we heal? What problems can we solve? What people can we love? What *Greater Things* will you do through us?"

God has not called us to be great based on our past, but to be great and do greater things here and now. Will we as a church be known for what we have done, or will we leave the community of high point breathless as they consider all that we *may* do?

Wesley Memorial School, **Children in Mission...**

November is all about being thankful for what God has provided us and sharing it with those in need. Our children are putting this lesson to work through **DONATIONS OF CANNED & DRY FOOD ITEMS** to fill the pantry at Open Door Ministry. In addition, we are helping the Fairview Backpack Ministry with the collection of specific food items to help create Holiday meals. After our classes sort and count and graph their collections, they will help load the van with all the items they have brought in. This is always a wonderful demonstration of our caring for others at work!

We are very proud of our children! Our students raised **\$1,117.38** for our Children's Crop Walk for Hunger.

Our Thanksgiving time would not be complete without having special foods and snacks with the children. Our Pre-K Four-year old's will have their version of the very first Thanksgiving meal; a coming together with each class making foods to share with each other.

We are thankful for our Firefighter friends. The children did a wonderful job with our recent fire drills. The High Point Firefighters visited with the children and it was a fun learning experience for all.

We are looking to the congregation for assistance by requesting donations of new or gently used (clean with no holes) blankets, comforters, throws, or sleeping bags. There is no restriction on size or material.

I would like to thank the congregation of Wesley Memorial for their continued commitment and support shown to the

Macedonia Family Resource Center.

Our goal to raise \$33,000 has been achieved! We are going to replace the 2 air conditioning units in the child development wing. Our facility was on the verge of being shut down by the State of North Carolina if this situation was not corrected. The Macedonia Family Resource Center, Wesley Memorial and the City of High Point are a great team serving the needs of the people living in the Macedonia community. Please continue to keep the Macedonia Center in your thoughts and prayers as we strive to continue making a difference in High Point.

Thank you,
Charles Surles
